

A Mother's Love

There are times when only a mother's love
Can understand our tears,
Can soothe our disappointments
And calm all of our fears.

There are times when only a mother's love
Can share the joy we feel
When something we've dreamed about
Quite suddenly is real.

There are times when only a mother's faith
Can help us on life's way
And inspire in us the confidence
We need from day to day.

For a mother's heart and a mother's faith
And a mother's steadfast love
Were fashioned by the Savior
And sent from God above.

thank you

Thank you so much for all your thoughtfulness with cards and prayers during my fall. And also the beautiful gift for Dennis' retirement. Your love is so special.

~ Thanks, With all our love ~

A group of second-graders was quizzed about what ingredients their mothers are made of. One child said, "God makes mothers out of clouds and angel hair and everything nice in the world, and one dab of mean."

To the question "What does your mom do in her spare time?" one youngster said, "Mothers don't do spare time."

When the children were asked "Why did God give you your mother and not some other mom?" one child replied, "God knew she likes me a lot more than other people's moms like me."
